

**Alind Saxena**

Executive Director &
President – Mobility & Tech
L&T Technology Services (LTTS)

Mr. Alind Saxena serves as the Executive Director & President at L&T Technology Services. He spearheads topline growth and strategic business development initiatives, continually exploring new revenue streams for the organization.

Alind is dedicated to fostering strong customer relationships and maintaining a robust deal pipeline. Alind oversees the Mobility and Technology segments, as well as the markets in EMEA and ROW, including India. By leveraging globally diverse teams across continents, he has successfully led LTTS' expansion into key geographical markets. Alind is also responsible for driving the large-deals engine at LTTS ensuring continued momentum in securing transformational projects from global customers.

Earlier, as Chief Sales Officer, Alind has been instrumental in steering LTTS to its current position as a leading global engineering services provider helping Fortune 500 customers across the world.

In his previous roles, Alind has been closely associated with the manufacturing industry in domains such as Automotive, Aerospace, Oil and Gas, Industrial Products, Telecom and Medical devices. With three decades of industry experience, Alind has held several leadership positions in multinational organizations. A technologist with very strong business acumen, Alind has worked out of Asia, Europe, and North America.

Alind is a core member of the Leadership Council of L&T Technology Services. He is a graduate from the Indian Institute of Technology, Kanpur, and certified in leadership from INSEAD and Harvard Business School. He is also an active member of STEM and presides over several educational councils at his local district.
