

**Mr. Abhishek Sinha**  
Executive Director & President  
Medical, Smart World & Functions  
L&T Technology Services Limited

Mr. Abhishek Sinha serves as the Executive Director & President at L&T Technology Services. His leadership is characterized by a strong focus on quality, cost-efficient delivery, and the satisfaction of both clients and employees. Abhishek oversees key verticals and horizontals, including Medical, Smart World, Digital Manufacturing Services, Digital Products and Services, Embedded Services, V&V, and Global Alliances.

Under his stewardship, these segments are aligned to drive excellence and innovation, ensuring that LTTTS remains at the forefront of industry advancements.

Earlier, as COO & Board Member at LTTTS, Abhishek has been instrumental in establishing long-standing systems and processes, through strategy formulation and execution, operational excellence and talent leadership. Clients, peers, senior leaders, and team respect him for his commitment to driving results and transforming concepts to reality.

Prior to joining LTTTS, Abhishek held pivotal leadership roles in KPIT, as Chief People and Operations Officer and a member of the executive board. He spearheaded HR and operations, architecting a scalable organizational structure and implementing frameworks for delivery excellence and practice development. At Infosys, as Vice President and Delivery Head, he led the Engineering Services unit, managing diverse domains such as Mechanical Systems, Telecom, Electronics, and Software Product Development.

After graduating in engineering from Banaras Hindu University (now IIT-BHU), Abhishek joined Infosys in 1993 and worked till 2013. During his tenure & leadership, the ER&D business at Infosys witnessed one of the fastest growth in its business.
